

Invitation to WEFTEC 2015

Broadley-James Corporation is exhibiting in booth 5049 at WEFTEC 2015, from 26th September to the 30th September, the Water Environment Federation's Annual Technical Exhibition and Conference. Learn about our new products including Hybrid[®] Smart Sensors as well as our expanded capabilities for development of custom products designed to meet your specific requirements. We welcome the opportunity to meet with equipment manufacturers, systems integrators and end-users to discuss how we can be of assistance with your water analytical measurement requirements.

Broadley-James Corporation of Irvine, California, is an industry-leading manufacturer of pH, redox (ORP) and Dissolved Oxygen sensors for many applications in water & wastewater, agriculture, process control, biotechnology and many other industries. Founded in 1967, Broadley-James Corporation has established a solid reputation for the highest quality products, broad application and market knowledge, and continuous innovation. Today we supply all segments of the scientific and industrial markets throughout the world. Among our customers are included many well-known equipment manufacturers and end-users.
